The third term test				
A good citizen is a major building block of a country. Being a good citizen is more than				
simply voting .It is being actively involved in the betterment of the community .				
A good citizen must have interest in receiving proper education. It is a must as it makes				
him well aware of his duties and responsibility. In every society there are certain rules and				
regulations. These are essential to ensure peace a				
obeys all these laws and tries to ensure peace and				
at public places in any way. He should develop moral and mental habits. Good and friendly				
contact with good people characterises him. Trut				
the main features of his personality. He is very compassionate as he doesn't like disrespecting				
others or mistreating homeless and less fortunate people. One other way to be a good citizen is to volunteer in charity organizations and help get others engaged.				
A Actually, a good citizen is an idol whose activities, thoughts and updated knowledge				
lead him, his society and his country to the way of prosperity and happiness.				
road min, me every and me country to the way t	or prooper	ary arra mappiness.
